

2024 Cross Check Program Schedule - Now shipping internationally, where possible

If you would like to participate in our ISO 17043:2010 accredited [proficiency test](#), 'PT', program for 2024, please email our customer service department at isotrakUSA@ezag.com or contact us at 1-404-352-8677 at your earliest convenience and we will prepare a quotation. If you would like to receive the same products and delivery schedule as your current samples, please include this information in your email as well. To ensure your 2024 samples ship on the standard schedule below, please submit your purchase order no later than 7 weeks in advance of the ship date except as noted below.

For 1st quarter participants, we need your PO no later than January 2nd to ensure shipment the week of February 9th.
